

## **January Mission Prayers**

### **January 1**

Oh God, how majestic is Your name. Thank You for sending Your son to redeem us, making us Your children and permitting us to call You Abba, Father. As we start this new year, we ask You to give us servants' hearts, and eyes to see Your beauty all around us. Remember our pastors and missionaries throughout the world as they work to spread the wonderful news of the Saviour. Bless their efforts so all may come to know You and call on You. Thank You Lord Jesus. Amen.

### **January 8**

Dear Heavenly Father: We thank You for bringing us into a new year. As we make our plans for the months ahead, may we remember that You created us for Your purposes here on earth – and Your will shall be done. As we begin a new year, remind us that we too have been made new in Christ, through the washing away of our sins in baptism. We pray for our missionaries and the mission projects we support – that those they reach may see, hear, and experience God's Word through them as they try to model the ministry of Jesus Christ. We ask Your blessing on them in the name of our Saviour Jesus, Immanuel. Amen.

### **January 15**

Almighty God, at baptism You lit the fire of faith in our hearts. Now we pray for Your direction in our lives. Teach us to be still and listen for Your voice, to hear the plans You predestined for us from our births. We lift up prayers of thankfulness for Your love which surrounds us daily, and Your guidance in all we do. We pray for the missionaries, pastors, and church workers who have heard and answered Your call. Give them direction wherever they serve, Your protection in adversity, and Your faithfulness as they show Your love to a waiting world. Through Jesus Christ, who lives and reigns with You and the Holy Spirit, one God, now and forever. Amen

### **January 22**

Almighty God, our rock and our salvation, help us to listen for your call and respond willingly. Help us to always seek Your will for our lives. Thank you for those who have heard your call to the mission field. Bless them and the work they do in Your name that many may be brought to salvation. Bless those working in Costa Rica, Honduras, Nicaragua and Ukraine. Keep them strong in their faith. Keep them steadfast in their walk. Keep them safe from the evil one who works diligently to pull them away from you. Hear us in the name of Jesus Christ, Immanuel, who lives and reigns now and forever. Amen

### **January 29**

Almighty God, we call on Your name with praise and thanksgiving. You are never far from us, continually showing us Your grace, compassion and mercy. Daily we are placed among those who speak falsely in your name, eager to sow doubt in our minds and question the basis of our faith. Idols in all forms tempt us, so shiny and appealing, challenging us at every turn. But You are all-knowing, and where You see there is a need, You continually raise up people willing and eager to go out in Your name, speaking Your words and doing good works, all to Your glory. Give our missionaries both near and

far the opportunity to see that what they do is not in vain. Just as they know You, may those they are among come to know You as well. To You be all glory and honour. Amen
